WHY CERATEC?

MADE IN INDIA :-

As NARENDRA MODI said"make in india is a lion's step!this initiative on one hand,will increase manufacturing growth,and at the same time,will directly benifite the youth of the nation in the form of employment"our products are proudly made in india and according to the indian users and requirement.

10mm CORNER :-

Fresh,geometric design offers straight sidewalls and a flat bottom for a modren look and more usable space inside the sink.Items sit flat in the bottom of the sink, and glassware is less likely to tip over and break tight 10mm corners are easy to clean.

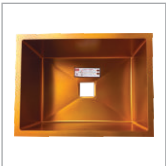

ZERO RADIUS CORNER :-

Perfectly squared 90' corners give the sink a modern look with a flat bottom and straight side walls for more usable space inside the sink.

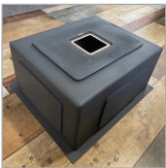

SMART DRAIN :-

This square shape drain with its unique design helps in hassle free waste disposal.It keeps your drain clog free.Easy to clean and use it is a hygenic alternate to regular drain.

UPPER COATING :-

CERATEC use upper coating in sink like peel off mask for too keep our sink rust free before going to use it

UNDERCOAT WITH SOUND SUPPRESSION PAD :-

CERATEC use special grade sound suppression pads and under coating the main advantages of this special feature are that it absorbs sound,protects against condensation build-up inside kitchen cabinets and helps maintain sink water temperature..
